| Team ID      | PNT2022TMID12751                                      |
| Project Name | Smart Waste Management System for metropolitan cities |

### WORK DONE IN SPRINT IV:

- The Node Red Dashboard shows the level and load of the bin, and the Node Red Platform sends the alert "Dustbin is almost filled" to email when the level and load attain the threshold value of 90%, as well as the latitude and longitude of that particular bin.
